

For Freedom Christ Has Set Us Free
Liberty vs. License
Galatians 5:7-15

American individualism has greatly impacted the way we interact with each other and the way we think about each other. In our culture, relationships tend to exist for the benefit of self rather than the other. The gospel calls us to set aside cultural tendencies and norms and be radically counter-cultural in the way we view love and service.

1. Christ freely reveals _____
 - A. We cannot embrace false _____
 - B. We cannot embrace false _____
2. Christ freely grants _____
 - A. We cannot mistake liberty for _____
 - B. We cannot mistake liberty for _____

The gospel frees us _____ the law _____ the law.

The call to freedom is a call to oneness in Christ and to loving service within the believing community. We are not saved to be a group of isolated individuals. Christ brings us out of bondage to live in community, protecting one another from false doctrines and encouraging one another in the gospel that sustains us.
