

Faith Alone
Romans 4:9-25

We live in a physical world that is governed by natural law. We experience and interact with this world through our five senses: seeing, hearing, smelling, tasting, and touching. We do not question the reality of this world because of all the empirical evidence available to us. But is this world the only reality that exists?

1. By faith alone we _____ God
2. By faith alone we _____ God
3. By faith alone we _____ God
4. By faith alone we _____ God

We are saved and placed into a right relationship with God by grace alone through faith alone in Christ alone. Even though our good deeds don't earn God's favor, faith is not lifeless. Faith that receives the righteousness of God will be demonstrated in good works and changed life.
