

The Apostles' Creed
I Believe in the Holy Spirit
John 14:18-31

Perhaps the least understood person of the Trinity is that of the Holy Spirit. Hollywood doesn't help with its Star Wars force that acts more like the yin and yang of eastern mysticism or the karma of Hinduism. The Holy Spirit is not an impersonal force to be manipulated. He is personal, and He is necessary if we are going to live in the fulness of God.

1. The Holy Spirit _____ us into the family of God.
2. The Holy Spirit _____ us into obedience to God.
3. The Holy Spirit _____ us the nature of God.
4. The Holy Spirit _____ us of the faithfulness of God.
5. The Holy Spirit _____ in us the peace of God.

All who are led by the Spirit are sons of God. We have not been given a spirit of fear that leads us back into slavery, but we have been given the Holy Spirit, a Spirit of power and love and sound mind, who helps us continue to experience the grace, mercy, and peace so freely offered to those who by faith place their trust in Christ.
