

More than Buildings
The Sacrifice of Giving
Matthew 26:6-13

We take much for granted. There is a generation coming up that has no idea what life BC (before cell phones) was like. We assume that when we flip the switch, lights will come on. We don't realize how much we depend on our possessions until they are taken away. We don't realize just how much they influence our lives.

Treasure Principle

You can't _____ it with you, but you can _____ it on ahead.

Key #1: God _____ everything, I am His money _____.

Key #2: My _____ always goes where I put my _____.

Key #3: _____ —not _____ —is our true home.

Key #4: I should live, not for the _____, but for the _____.

Nothing that we sacrifice in the way of money or possessions will ever compare to the sacrifice made by Jesus for our salvation. Jesus never regretted His extravagant gift of salvation. Mary never regretted giving such an extravagant gift to her Savior, Jesus. We must surrender our lives to Jesus if we ever want to experience and offer this type of unadulterated, extravagant, generous worship.
