

The Good Life: A Simple Life in Christ  
A Centered Life  
Matthew 6:25-34

We live in difficult and uncertain times. We are uncertain about our relationships with other countries and we worry about what they might be plotting next. We have businesses that won't hire because they are uncertain about the future of our economy. We wonder and worry about the condition of the nation that our children will inherit. It just seems natural to worry about things.

When your life is \_\_\_\_\_ in Christ,  
you find all you \_\_\_\_\_.

1. Worry is incompatible with \_\_\_\_\_.
2. Worry is incompatible with \_\_\_\_\_.
3. Worry is incompatible with \_\_\_\_\_.

The blessings of the Christian life are not just reserved for a futuristic kingdom in a futuristic after-life. The blessings can be experienced every day in this life as we walk with Christ. Worry replaced by wonder. Fear replaced by faith. Trembling replaced by trust. Anxiety replaced by awe. This life is the life Jesus offers. This life is the life He bought for us at the cross.
