

The Good Life: A Simple Life in Christ
Godly Contentment
1 Timothy 6:6-11, 17-19

We have all experienced a feeling of security from something we have possessed, even if that sense of security is short-lived. But seeking security and contentment from inanimate objects is elusive. Even trying to find security and contentment in people is ultimately unachievable because people will let us down.

Godliness with _____ is great gain.

Be content because:

1. We can't _____ the material stuff we gain.
2. The pursuit of material stuff creates _____.
3. Contentment leads to _____.

How will we pursue godliness with contentment? How will we encourage each other to do the same? It is easy to begin to rely on things or people who bring us temporary happiness. But true contentment can only be found in our relationship with Christ. Christ satisfies us out of the riches of His glory, and He secures us with eternal life freely offered by grace through faith in His finished work at the cross. Let's be satisfied in what He has already done.
