Psalm 19:1-6, 111:7-10

For over seventy years, China has been a communist and atheistic country. When Mao Zedong ruled, he attempted to wipe out Christianity. Religious thought was suppressed, so that today somewhere between 40 to 49 percent of the population do not believe in God. Some of them reject the notion of God, but some of them don't even know to ask the question.

God has given us ways to _____ He exists.

1. We know God exists because of _____.
2. We know God exists because of _____.
3. We know God exists because of _____.

Even with all of the things that God has done to point us back to Him, we cannot know Him apart from faith. Hebrews 11:6 says, "Without faith it is impossible to please God, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him." God is in all places at all times, and He has revealed Himself through creation and through His Word so that by faith we can know Him.
